Respected Sir,

**SUB: NBFCs DATA REPORTING AND PUBLISHING FROM RBI**

We are happy to note that the Reserve Bank has since revised the data format of collection and operational efficiency from November 2022 onwards (due date of submission is within 5 days from the end of the month).

We observe that all the medium and large NBFCs are mandatorily required to furnish their data on the RBI XBRL platform on an on-going basis. We at FIDC are of the view that RBI may like to further expand the format of XBRL Returns by incorporating sectoral dimensions so that RBI would have appropriate data for assessing and publishing authentic data on the growth in the business of NBFC sector on a consolidated and aggregated basis as is being done by RBI in respect of the banks in its monthly bulletin.
